**THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING NCLT
CONVENED MEETING ARE AS UNDER:**

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Sunday, March 24, 2024 at 09.00 A.M. (IST) and ends on Tuesday, March 26, 2024 at 05.00 P.M. (IST). During this period the shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Wednesday, March 20, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) The Shareholders who have already voted prior to the meeting date would not be entitled to vote during and post the conclusion of the meeting.

- (iii) Pursuant to the **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020**, under Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time; the listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of the **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by the Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. The Shareholders are advised to update their mobile number and Email ID in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

The Transferee Company was earlier engaged in the business of printing of Prospectus, Application Forms, Brochures, Annual Reports, Share Certificates, MICR Instruments and other commercial print jobs. During the past few years, the Company has not carried out any business and is not generating any revenue from its operations. This Scheme of Amalgamation provides for merger of Transferor Company into and with the Transferee Company pursuant to Sections 230 to 232 and other relevant provisions of the Companies Act, 2013 and applicable provisions of the Income Tax Act, 1961, the SEBI Circulars (as defined hereinafter) and Applicable Laws (as defined hereinafter).

iii **Rationale and Purpose of the Scheme**

The proposed merger of the Transferor Company (including the Undertaking (as defined hereinafter) of the Transferor Company) into and with the Transferee Company would inter alia have the following benefits for both the Parties and their respective shareholders, employees, creditors and other stakeholders:

- (a) To consolidate the business of the Transferor Company and the Transferee Company, which would make the business activities more sustainable in the long term as well as help them to grow faster.
- (b) Create value for stakeholders including respective shareholders, customers, lenders and employees as the combined business would benefit from increased scale, expanded reach, higher cross selling opportunities to a larger base of customers, improvement in productivity amongst others;
- (c) Better administration and cost optimization are expected to flow from more focused operational efforts, standardization and simplification of business processes, and the elimination of duplication, and rationalization of administrative expenses as well as compliance cost;

- (d) Pooling of resources and achieving economies of scale;
- (e) Greater integration and flexibility to Transferee Company and strengthen its position in terms of asset base, revenues and service range;
- (f) Pursuant to the implementation of the Scheme, the objects of the Transferor Company and the Transferee Company can be conveniently, advantageously and economically carried on by a single entity.
- (g) The restructuring proposed under the Scheme will not affect the normal business operations of the Transferee Company, but would improve the same.
- (h) To achieve the desired objectives, a Scheme of Amalgamation has been arrived at by the Board of Directors of the aforesaid companies and it has been decided to make the requisite application before the Hon'ble National company Law Tribunal Mumbai bench, Mumbai under Sections 230 of the Companies Act, 2013 for the sanction of the following Scheme of Amalgamation (hereinafter referred to as the 'Scheme') of the aforesaid companies.
- (i) In view of the aforesaid, the Board of Directors of the Transferor Company and the Transferee Company have (i) considered and proposed the merger / amalgamation of the of the Transferor Company into and with the Transferee Company for the benefit of all the stakeholders of the Transferor Company and Transferee Company; and (ii) formulated this Scheme of merger for the transfer and vesting of the entire Undertaking and business of the Transferor Company into and with the Transferee Company pursuant to the provisions of Section 230 to Section 232 and other relevant provisions of the Act.

- 1.1. Pending transfers, Issue of New Equity Shares and Issuance Mechanics
 - 1.1.1. In the event there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Transferor Company, the Board of the Transferee Company shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, as the case may be, to effectuate such a transfer as if such changes in registered holder were operative as on the Record Date, in order to remove any difficulties arising to the transferor of the shares in the Transferor Company and in relation to the shares issued by the Transferee Company, after the effectiveness of the Scheme. The Board of the Transferee Company shall be empowered to remove such difficulties as may arise in the course of implementation of this Scheme and registration of new shareholders in the Transferee Company on account of difficulties faced in the transition period.
 - 1.1.2. Where New Equity Shares of the Transferee Company are to be allotted to heirs, executors or administrators, as the case may be, to successors of deceased equity shareholders or legal representatives Of the equity shareholders of the Transferor Company, the concerned heirs, executors, administrators, successors or legal representatives shall be obliged to produce evidence of title satisfactory to the Board of the Transferee Company.
 - 1.1.3. The New Equity Shares of the Transferee Company allotted and issued in terms Of Clause 11.1 of Part C above, shall be listed and/or admitted to trading on the BSE. The New Equity Shares of the Transferee Company shall, however, be listed subject to the Transferee Company obtaining the requisite approvals from the stock exchanges on which the securities of Transferee Company are listed and SEBI pertaining to the listing of the New Equity Shares of the Transferee Company. The Transferee Company shall enter into such arrangements and give such confirmations and/or undertakings as may be necessary in accordance with Applicable Laws for complying with the formalities of BSE.
 - 1.1.4. The New Equity Shares of the Transferee Company to be allotted and issued to the shareholders of the Transferor Company as provided in Clause 11.1 of Part C above shall be subject to the provisions of the memorandum and articles of association Of the Transferee Company and shall rank pari passu in all respects with the then existing equity shares of the Transferee Company after the Effective Date including in respect of dividend, if any, that may be declared by the Transferee Company on or after the Effective Date.
 - 1.1.5. The Transferee Company shall complete all formalities, as may be required, for allotment of the New Equity Shares to the shareholders of the Transferor Company as provided in this Scheme within thirty (30) days from the Effective Date. It is clarified that the issue and allotment of New Equity Shares by the Transferee Company to the shareholders of the Transferor Company as provided in the Scheme, is an integral part thereof and shall be deemed to have been carried out without requiring any further act on the part of the Transferee Company or its shareholders and as if the procedure laid down under Section 62 or any other provisions of the Act as may be applicable, and such other statues and regulations as may be applicable were duly complied with.
 - 1.1.6. If any shareholder becomes entitled to any fractional shares, entitlements or credit on the issue and allotment Of the New Equity Shares by the Transferee Company in accordance with Clause 11.1 of part C above, the Board of the Transferee Company shall consolidate all such fractional entitlements and shall round up the aggregate Of such fractions to the next whole number and issue consolidated New Equity Shares to a trustee nominated by the Transferee Company (the "Trustee"). who shall hold such New Equity Shares with all additions or accretions thereto in trust for the benefit of the respective shareholders, to whom they belong and their respective heirs, executors, administrators or successors for the specific purpose of selling such equity shares in the market at such price or prices and on such time or times within ninety (90) days from the date

of allotment, as the Trustee may in its sole discretion decide and on such date, pay to the Transferee Company, the net sale proceeds (after deduction of applicable taxes and costs incurred) thereof and any additions and accretions, whereupon the Transferee Company shall, subject to withholding tax, if any, distribute such sale proceeds to the concerned shareholders of the Transferor Company in proportion to their respective fractional entitlements.

- 1.1.7. In the event that the Parties restructure their equity share capital by way of share split/consolidation/issue of bonus shares during the pendency of the Scheme, the Share Exchange Ratio and the stock options, shall be adjusted accordingly to take into account the effect of any such corporate actions.
- 1.1.8. Subject to Applicable Laws, the New Equity Shares that are to be issued in terms of this Scheme shall be issued in dematerialized form. The register of members maintained by the Transferee Company and/ or, other relevant records, whether in physical or electronic form, maintained by the Transferee Company, the relevant depository and registrar and transfer agent in terms of Applicable Laws shall (as deemed necessary by the Board of the Transferee Company) be updated to reflect the issue of the New Equity Shares in terms of this Scheme. The shareholders of the Transferor Company who hold equity shares in physical form should provide the requisite details relating to his/her/its account with a depository participant or other confirmations as may be required, to the Transferee Company, prior to the Record Date to enable it to issue the New Equity Shares. However, if no such details have been provided to the Transferee Company by the equity shareholders holding equity' shares of the Transferor Company in physical form on or before the Record Date, the Transferee Company shall deal with the relevant equity shares in such manner as may be permissible under the Applicable Law.
- 1.1.9. The shares allotted pursuant to the Scheme shall remain frozen in the depositories system until listing/trading permission is given by the BSE, as the case may be.
- 1.1.10. Sub: Recommendation of Share Exchange Ratio for the purpose of Proposed Scheme of Amalgamation of Parthiv Corporate Advisory Private Limited with Inland Printers Limited.

Dear Sir/Madam,

We refer to our engagement letter and discussions undertaken with the Management regarding Amalgamation of Parthiv Corporate Advisory Private Limited ("PCAPL" or "Transferor Company") with Inland Printers Limited ("IPL" or "Transferee Company") (hereinafter all of them together referred to as "the Management") and their respective shareholders under sections 230 to 232 of the Companies Act, 2013 and other applicable provisions of Companies Act, Rules and Regulations thereunder ("Scheme"). The Management has requested CA Nishant Soni of Nishant Soni and Associates, Chartered Accountants (hereinafter referred to as "NSA" or "we" or "us") to give recommendation of share exchange ratio for the proposed Scheme of Amalgamation. The Appointed Date for the Scheme is January 1, 2023 as per the proposed Scheme provided by the Management.

Hereinafter both the aforesaid proposed transactions shall be referred to as the "proposed amalgamation"; and the Transferee Company along with the Transferor Company shall together be referred to as "Transacting Companies".

As presented in the attached Valuation Report for share exchange ratio, our mandate is to determine the share exchange ratio for the proposed Scheme of Amalgamation.

We have considered all methods as prescribed by Valuation standards board of constituted by ICAI RVO to determine the fair value of the equity shares of IPL and PCAPL. Based on the results of the valuation approach and the methodology that we adopted and considering facts of the case and other relevant data, the Management may consider the recommended share exchange ratio, as follows:

"33,34,833 (Thirty-Three Lakhs Thirty-Four Thousand Eight Hundred Thirty-Three) Equity Share of Rs.10/- each fully paid up of the Transferee Company for every 1,00,000 (One Lakh) Equity Shares of Rs.10/- each fully paid up held in Transferor Company."

Introduction, Purpose and Rationale for Valuation

Nishant Soni and Associates, Chartered Accountants, (hereinafter referred to as "NSA") and a registered Valuer under Institute of Chartered Accountants of India – Registered Valuer Organization and with Insolvency and Bankruptcy Board of India has been jointly engaged by Inland Printers Limited ("IPL" or "Transferee Company") and Parthiv Corporate Advisory Private Limited ("PCAPL" or "Transferor Company") to determine the Share Exchange Ratio under the Scheme of Amalgamation envisaging amalgamation of PCAPL into IPL.

Purpose & Rationale

Pursuant to the provisions of the Companies Act, 2013, upon the scheme envisaging amalgamation becoming effective and in consideration for the amalgamation of Transferor Company into Transferee Company, the Transferee Company shall, without any further application or deed, issue and allot shares to the Equity Shareholders of the Transferor Company whose name appears in the Register of Members/Shareholders of Transferor Company as on the Record Date.

The purpose of this report is to determine the indicative share exchange ratio of shares to comply with the requirements of the relevant provisions of the Companies Act, 2013 and The Companies (Compromises, Arrangements and Amalgamations) Rules, 2016.

The amalgamation is proposed to be carried out through a Scheme of Amalgamation under Section 230-232 of the Companies Act, 2013. Under the Scheme, Transferor Company will be transferred on a going concern basis and in consideration, equity shares of Transferee Company would be issued to the equity shareholders of the Transferor Company. We are informed that amalgamation will be in accordance with the provisions of Section 2(1B) of the Income Tax Act, 1961.

The equity shares to be issued for the aforesaid proposed amalgamation will be based on the share exchange ratio as determined by the Board of Directors on the basis of share exchange ratio report prepared by us.

We have determined the share exchange ratio for the proposed amalgamation as at the Valuation Date i.e. December 31, 2022.

INLAND PRINTERS LIMITED & PARTHIV CORPORATE ADVISORY PRIVATE LIMITED

Assumptions and Limiting Conditions

Our report is subject to the limitations detailed herein after:

1. The share swap analysis recommendation contained herein represents the analysis done for the valuation date and not for any other time of the year.
2. The scope of our work has been limited to the extent of arriving at the share exchange ratio as explained above. We have no responsibility to update this report for events and circumstances after the date of this report.
3. A value analysis of this nature is necessarily based on the prevailing stock market, financial, economic and other conditions in general and industry trends in particular. It is based on information made available to us as of the date of this report, events occurring after that date hereof may affect this report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this report.
4. The determination of fair value for arriving at share exchange ratio is not a precise science and the conclusions arrived at in many cases, will, of necessity, be subjective and dependent on the exercise of individual judgment. There is, therefore, no indisputable single fair value. While we have provided our recommendation of the share exchange ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion. The final responsibility for the determination of the share exchange ratio at which the proposed amalgamation shall take place will be with the Board of Directors of the Transferee company and the Transferor company, who should take into account other factors such as their own assessment of the proposed amalgamation and input of other advisors.
5. In the course of our analysis, we were provided with both written and verbal information, including market, technical, financial and operating data including information as detailed in the section – Sources of Information.
6. Our work was not designed to verify the accuracy or reliability of the information provided to us and nothing in this report should be taken to imply that we have conducted procedures, audits or investigations in an attempt to verify or confirm any information supplied to us.
7. This report is issued on the understanding that the Management of the Companies has drawn our attention to all matters concerning the financial and legal position of the businesses, which may have an impact on our reporting, including any significant changes that have taken place or are likely to take place in future.
8. We have not carried out a due diligence or audit or review of the Transacting Companies for the purpose of this engagement, nor have we independently investigated or otherwise verified the data provided.

INLAND PRINTERS LIMITED & PARTHIV CORPORATE ADVISORY PRIVATE LIMITED

9. We have no present or planned future interest in the Companies and the fee for this report is not contingent upon the values reported therein.
10. We do not express any opinion as to any tax or other consequences that might arise from the Scheme, nor does our opinion address any legal, tax, regulatory or accounting matters.
11. Our report should not be construed as our opinion or certifying the compliance of the Scheme with provisions of any law prevalent as on the reporting date.
12. We must emphasize that the realization of the assets at their values considered in our analysis will be dependent on the continuing validity of assumptions on which they are based. Our analysis therefore, will not, and cannot be directed to provide any assurance about the realisation of the assets at the values considered in our analysis.
13. Our conclusions are based on these assumptions and information given by/ on behalf of the Management. The Management has indicated to us that they have understood any omissions, inaccuracies or misstatements may materially affect our recommendation. Accordingly, we assume no responsibility for any errors in the information furnished by the Transacting Companies and their impact on the report. Also, we assume no responsibility for technical information (if any) furnished by the Transacting Companies. However, nothing has come to our attention to indicate that the information provided to us was materially misstated/ incorrect or would not afford reasonable grounds upon which to base the report. We do not imply and it should not be construed that we have verified any of the information provided to us, or that our inquiries could have verified any matter, which a more extensive examination might disclose.
14. The report assumes that the Transacting Companies comply fully with relevant laws and regulations applicable in all its areas of operations and that the Transacting Companies will be managed in a competent and responsible manner. Further, except as specifically stated to the contrary, this report has given no consideration on to matters of a legal nature, including issues of legal title and compliance with local laws and litigation and other contingent liabilities that are not represented to us by the Management.
15. This report does not look into the business/ commercial reasons behind the proposed amalgamation nor the likely benefits arising out of the same. Similarly, the report does not address the relative merits of the proposed amalgamation as compared with any other alternative business transaction, or other alternatives, or whether or not such alternatives could be achieved or are available. This report is restricted to recommendation of share exchange ratio only.
16. We owe responsibility only to the Board of Directors of the Transferee company and the Transferor company who have appointed us, and nobody else. We do not accept any liability to any third party in relation to the issue of this report. It is understood that this analysis does not represent a fairness opinion. In no circumstance shall our liability exceed the amount as agreed in our Engagement Letter.

Approach to Valuation

The goal of a valuation method is to best approximate the actual fair market value of the Transferee Company and Transferor Company. Fair market value has been defined as the price at which property passes between a willing buyer and seller, neither under any compulsion to buy or sell, and both with knowledge of all relevant facts.

The selection of method to be used must be made under the most appropriate method rule. The most appropriate method is that method, which, under the fact and circumstances of the transaction under review, provides the most reliable valuation.

In determining the reliability of a method, the most important factors to be taken into account are the coverage and reliability of the available data. Other factors such as conditions prevailing in the market, potential of the industry and business to grow, extent and reliability of adjustment that may be required in applying the method shall also be taken into account.

1. ASSET APPROACH:

This methodology is likely to be appropriate for a business whose value derives mainly from the underlying value of its assets rather than its earnings, such as property holding and investment business. Net asset values OR Costing Method, which is of great relevance in industries such as utilities, manufacturing and transport that are dependent on physical infrastructure and assets, may not have particular significance in industries such as information technology, pharmaceutical that are driven by intangibles not recorded in the books. The asset valuation is a good indicator of the entry barrier that exists in a business.

Some of the most common techniques of valuation considered under this approach are to value a business enterprise on the basis of book value of the assets or at adjusted book value of the assets or at Replacement value.

Book value: This is simply a value based upon the accounting books of the business. In simple term, Assets less liabilities equal to the owners' equity, which is the "Book Value" of the business. For mature firms with predominantly fixed assets, little or no growth opportunities and no potential for excess returns, the book value of the assets may yield a reasonable measure of the true value of these firms. For firms with significant growth opportunities in businesses where they can generate excess returns, book values will be very different from true value.

Adjusted book value: This method involves reviewing each and every asset and liability on the company's balance sheet and adjusting it to reflect its estimated market value. Depending on the mix of assets owned by the company, other types of appraisers (e.g., real estate, machinery and equipment) might need to be consulted as part of the valuation process. In addition, it is important to consider intangible

items that might not necessarily be reflected on the balance sheet, but which might have considerable value to a user, such as trade names, patents, etc. The unrecorded and contingent liabilities are also considered at their fairly estimated value.

Replacement value: This method is mainly used for valuing asset-heavy businesses such as hotels/motels and natural resources (mining) businesses. The asset valuation methodology essentially estimates the cost of replacement of the tangible assets of the business. The replacement cost takes into account the market value of various assets or the expenditure required to create the infrastructure exactly similar to that of a company being valued. Since the replacement methodology assumes the value of business as if a new business is set, this methodology may not be relevant for valuing a going concern.

2. INCOME APPROACH

The Income Approach derives an estimate of value based on the sum of the present value of expected economic benefits associated with the asset or business (Economic benefits have two components: cash flow (or dividends) and capital appreciation). Under the Income Approach, the appraiser may select a single period capitalization method (Profit earning capacity value method) or a multi-period discounted future income method. Company having stable revenue streams as of now & in foreseeable future. Company which will have regular flow of income in the business and current profitability represents its future potential which will result into a constant regular flow of income in foreseeable future. Income approach can be selected for Companies which has visibility for stable flow of income in the future.

Profit earning capacity value method:

- The basis of this approach is to find the normalised earning capacity of the business and to capitalise it on the basis of appropriate rate considering the business fundamentals of business cycle, safety, return and time. In this method, future maintainable profit of the company is calculated. Alternately, an appropriate multiple can be used with the normalised earnings to arrive at fair estimation of business value (Market Price per Share "MPS").
- The important task is to determine two factors:
 - i. Normalised Profit after Tax ("PAT") and
 - ii. Rate of capitalisation or multiple for capitalisation
- The average annual maintainable PAT should be representative and is generally determined based on average past earnings, or future projected earnings where the past earnings are not representative of the future earning potential of the business.
- The capitalization rate is taken based on P/E Multiple (MPS/EPS) of the industry on the rate of return expected by the equity shareholders of the company.

Discounted Free Cash Flow Method (DCF)

- DCF methodology expresses the present value of a business as a function of its future cash earnings capacity. This methodology works on the premise that the value of a business is measured in terms of future cash flow streams, discounted to the present time at an appropriate discount rate. It recognises that money has a time value by discounting future cash flows at an appropriate discount factor.
- This method is used to determine the present value of a business on a going concern assumption. The DCF methodology depends on the projection of the future cash flows and the selection of an appropriate discount factor.
- When valuing a business on a DCF basis, the objective is to determine a net present value of the cash flows ("CF") arising from the business over a future select period of time (say 4 years or visible period), which period is called the explicit forecast period. Free cash flows are defined to include all inflows and outflows associated with the project prior to debt service, such as taxes, amount invested in working capital and capital expenditure. Under the DCF methodology, value must be placed both on the explicit cash flows as stated above, and the ongoing cash flows a company will generate after the explicit forecast period. The latter value, also known as terminal value, is also to be estimated.
- The future cash flows can be projected, the less sensitive the valuation is to inaccuracies in the assumed terminal value. Therefore, the longer the period covered by the projection, the less reliable the projections are likely to be. For this reason, the approach is used to value businesses, where the future cash flows can be projected with a reasonable degree of reliability. For example, in a fast-changing market like telecom or even automobile, the explicit period typically cannot be more than 4 years. Any projection beyond that would mostly be speculation.
- The discount rate applied to estimate the present value of explicit forecast period free cash flows as also continuing value, is taken at the Weighted Average Cost of Capital ("WACC") for valuation as per DCF FCFF method or Cost of Equity ("Ke") for valuation as per DCF FCFE method. One of the advantages of the DCF approach is that it permits the various elements that make up the discount factor to be considered separately, and thus, the effect of the variations in the assumptions can be modeled more easily. The principal elements of WACC are cost of equity (which is the desired rate of return for an equity investor given the risk profile of the company and associated cash flows), the post-tax cost of debt and the target capital structure of the company (a function of debt-to-equity ratio).

In turn, cost of equity is derived, on the basis of Capital Asset Pricing Model ("CAPM"), as a function of risk-free rate, Beta (an estimate of risk profile of the company relative to equity market) and equity risk premium assigned to the subject equity market.

- Value obtained by using DCF method gives us the Enterprise Value; and adjustment for the loans as on the valuation date gives us the Equity Value.

This method is generally used when there is reasonable certainty on the timing, quantum and quality

INLAND PRINTERS LIMITED & PARTHIV CORPORATE ADVISORY PRIVATE LIMITED

of the cash flows, which has its close coupling with the underlying assets (e.g., in case of a manufacturing company).

3. MARKET APPROACH

Under Market method, we have three key methods:

1. Market Price
2. Comparable Companies Multiples ("CCM") Method
3. Comparable Transaction Method ("CTM")

In Market Price method, value of shares of listed entity available and readily saleable can be considered while valuing the entity.

In Comparable Companies Multiples method, we need to value the equity shares based on ratios or multiples of a listed comparable Company. However, it is extremely difficult to identify the similar listed Company with same benchmark and difficult to get a valuation through the same.

The final approach is a Comparable Transaction method which based on similar transaction in the same sector of the entity to check and verify and can be used for benchmarking.

Selection of the most appropriate approach

As mentioned earlier, the valuation is performed to derive the value of equity shares. The valuation has been derived using the methodology that is widely acceptable method. Further, such valuation is also required by Management independently for the purpose of understanding the fair value of the business and its shares pricing.

We have selected three valuation approaches and respective methods:

1. Asset Approach – Net Asset Value ("NAV") Method
2. Income Approach - Discounted Free Cash Flow ("DFCF") Method
3. Market Approach – Market Price ("MP") Method

Both the Companies are being valued, considering their operations and following conclusion is arrived at:

Sr. No.	Name of Company	Operations	Method		
			DFCF	NAV	MP
1	Inland Printers Limited	Minor	^ x	✓	* x
2	Parthiv Corporate Advisory Private Limited	Full fledged	✓	✓	Not Applicable

^ IPL did not have revenue from operations for the last 3 years and therefore it is not feasible to use the Income Approach as the same will not represent the true value per share and valuation under DFCF method is not considered.

* IPL did not have revenue from operations for the last 3 years and therefore it is not feasible to use the Comparable Companies Multiple method of Market Approach as the same will not represent the true value per share and valuation under CCM method is not considered.

Market Approach would have been considered for arriving at the value per share, since IPL is a

INLAND PRINTERS LIMITED & PARTHIV CORPORATE ADVISORY PRIVATE LIMITED

Private and confidential

listed entity. However, the shares are infrequently traded and therefore it is not feasible to use the MP method of Market Approach as the same will not represent the true value per share.

Non-Current Investments of PCAPL are being valued, considering their operations and following conclusion is arrived at:

Sr. No.	Name of Company	% Share	Operations	Method	
				DFCF	NAV
1	Efficient Insurance Brokers Private Limited	75.00%	Full fledged	✓	✓
2	Parthiv Capital Private Limited	50.00%	Minor	x	✓
3	Sapio Parthiv Heritech Private Limited	50.00%	Minor	x	✓

Recommendation on Share Exchange Ratio

Computation of fair share exchange ratio between IPL and PCAPL.

In light of the above and on a consideration of all the relevant factors and circumstances as discussed and outlined herein above including scope, limitations and assumptions describe in this report and the engagement letter, we recommend the share exchange ratio as follows:

Valuation Approach	Transferee Company		Transferor Company	
	Value per Share (Rs.)	Weight (%)	Value per Share (Rs.)	Weight (%)
Asset Approach – NAV Method	5.10	100.00%	272.76	50.00%
Income Approach – DCF Method	NA	0.00%	67.61	50.00%
Market Approach – MP Method	NA	0.00%	NA	0.00%
Relative Value per Share	5.10	(A)	170.18	(B)
Share Exchange Ratio - [(B)/(A)]				33.35
Share Exchange Ratio (For every 1,00,000 equity shares)				33,34,833

NA: Not adopted

To the equity shareholders of IPL & PCAPL:

"33,34,833 (Thirty-Three Lakhs Thirty-Four Thousand Eight Hundred Thirty-Three) Equity Share of Rs.10/- each fully paid up of the Transferee Company for every 1,00,000 (One Lakh) Equity Shares of Rs.10/- each fully paid up held in Transferor Company."

Distribution of Report

Our value analysis report has been solely prepared for use by the Management for submission to National Company Law Tribunal under Section 230-232 of the Companies Act, 2013. Our report should not be distributed for any other purpose except as mentioned above or to any other person without our written consent. 1. CONTEXT:

The amalgamation of the Transferor Company with Transferee Company pursuant to this Scheme shall be in the interest of all concerned stakeholders including shareholders, customers, creditors, employees and general public, in the following ways:

- To consolidate the business of the Transferor Company and the Transferee Company, which would make the business activities more sustainable in the long term as well as help them to grow faster.
- Create value for stakeholders including respective shareholders, customers, lenders and employees as the combined business would benefit from increased scale, expanded reach, higher cross selling opportunities to a larger base of customers, improvement in productivity amongst others;
- Better administration and cost optimization are expected to flow from more focused operational efforts, standardization and simplification of business processes, and the elimination of duplication, and rationalization of administrative expenses as well as compliance cost;
- Pooling of resources and achieving economies of scale;
- Greater integration and flexibility to Transferee Company and strengthen its position in terms of asset base, revenues and service range;
- Pursuant to the implementation of the Scheme, the objects of the Transferor Company and the Transferee Company can be conveniently, advantageously and economically carried on by a single entity.
- The restructuring proposed under the Scheme will not affect the normal business operations of the Transferee Company, but would improve the same.
- To achieve the desired objectives, a Scheme of Amalgamation has been arrived at by the Board of Directors of the aforesaid companies and it has been decided to make the requisite application before the Hon'ble National Company Law Tribunal Mumbai bench, Mumbai under Sections 230 of the Companies Act, 2013 for the sanction of the following Scheme of Amalgamation (hereinafter referred to as the 'Scheme') of the aforesaid companies.
- In view of the aforesaid, the Board of Directors of the Transferor Company and the Transferee Company have (i) considered and proposed the merger / amalgamation of the of the Transferor Company into and with the Transferee Company for the benefit of all the stakeholders of the Transferor Company and Transferee Company; and (ii) formulated this Scheme of merger for the transfer and vesting of the entire Undertaking and business of the Transferor Company into and with the Transferee Company pursuant to the provisions of Section 230 to Section 232 and other relevant provisions of the Act.

*IPL will issue and allot thirty three lakhs thirty four thousand eight hundred thirty three new share for every one lakh shares of PCAPL (Transferor Company) held by shareholders of PCAPL.

^SMarket Approach would have been considered by valuer for arriving at the value per share, since IPL is a listed entity. However, the shares of IPL are infrequently traded and therefore as per valuer Nishant Soni & Associates, Registered valuer, it is not feasible to use the Market Approach as the same will not represent the true value per share.

On the basis of above analysis, the share exchange ratio has been arrived at and accordingly the Transferee Company shall, without any further act or deed and without any further payment, issue and allot equity shares on a proportionate basis to each member of the Transferor Company whose names are recorded in the Register of Members/ List of Beneficial Owners.

5. LIMITATIONS/DISCLAIMERS:

- We wish to emphasize that, we have relied on explanations and information provided by the respective management and other publicly available information. Although, we have reviewed such data for consistency and reasonableness, we have not independently investigated or otherwise verified the data provided.

- We have not made an appraisal or independent valuation of any of the assets or liabilities of the companies and have not conducted an audit or due diligence or reviewed / validated the financial data except what is provided to us by the Restructured Companies.
- The scope of our work has been limited both in terms of the areas of the business and operations which we have reviewed and the extent to which we have reviewed them. There may be matters, other than those noted in this scheme, which might be relevant in the context of the transaction and which a wider scope might uncover.
- We have no present or planned future interest in the Restructured company/ies and the fee payable for this opinion is not contingent upon the opinion reported herein.
- Our Fairness Opinion should not be construed as investment advice; specifically, we do not express any opinion on the suitability or otherwise of entering into the proposed transaction.
- The Opinion contained herein is not intended to represent at any time other than the date that is specifically stated in this Fairness Opinion Report. This opinion is issued on the understanding that the Management of the Restructured Companies under the Scheme have drawn our attention to all matters of which they are aware, which may have an impact on our opinion up to the date of signature. We have no responsibility to update this report for events and circumstances occurring after the date of this Fairness opinion.

6. CONCLUSION:

In case of a merger valuation, the emphasis is on arriving at the "relative" values of the shares of the merging companies to facilitate determination of the "share exchange ratio". Hence, the purpose is not to arrive at absolute values of the shares of the companies.

Nishant Soni And Associates has valued Equity Shares of PCAPL (Transferor Company) as per Net Asset Value (NAV) and Income approach-(DCF) Method and IPL (Transferee Company) as per Net Asset Value (NAV) Method.

"Subject to the above read with the caveats as detailed later, we as a Merchant Banker hereby certify that pursuant to SEBI Master Circular no. SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665 dated November 23, 2021, we have reviewed the proposed Scheme of Arrangement for Amalgamation, the Valuation Report dated March 09, 2023 of Nishant Soni And Associates Registered Valuer with respect to the share exchange ratio aspects and consider it to be fair and reasonable from the point of view of equity shareholders of the Companies "

VALUATION METHODOLOGY, APPROACH AND ANALYSIS

For the purpose of valuation, generally the following approaches are adopted:

- (a) Income Approach;
- (b) Asset Approach and
- (c) Market Approach

Income Approach: - Income approach is a valuation approach that converts maintainable or future amounts (e.g., cash flows or income and expenses) to a single current (i.e., discounted or capitalised) amount. The fair value measurement is determined on the basis of the value indicated by current market expectations about those future amounts.	Asset Approach: - Asset approach is a valuation approach that reflects the book value amount that is adjusted to reflect asset base of the entity. Also, replacement cost can be used to replace the service capacity of an asset (often referred to as current replacement cost).	Market Approach: - Market approach is a valuation approach that uses prices and other relevant information generated by market transactions involving identical or comparable (i.e., similar) assets, liabilities or a group of assets and liabilities, such as a business
<ul style="list-style-type: none"> • Discounted Cash Flow Method • Excess Earnings Method • Earnings after Reinvestment in Regulatory Capital Method • Relief from Royalty • Multi-Period Excess Earnings Method (MEEM) 	<ul style="list-style-type: none"> • Adjusted Book Value Method • Replacement Cost Method 	<ul style="list-style-type: none"> • Market Price Method • Comparable Companies Multiple (CCM) Method • Comparable Transaction Multiple (CTM) Method

- As we understand the detailed approaches prescribed above, we understand that we broadly have 3 methods to choose from the above prescribed approaches, viz. Cost Approach, Income Approach or Market Approach.
- Under Market method, we have two key methods:
 - Company Comparable
 - Transaction Comparable

VALUATION METHODOLOGY, APPROACH AND ANALYSIS

In Company comparable method, we need to value the shares based on ratios or multiples of a listed comparable Company. However, it is extremely difficult to identify the similar listed Company with same benchmark and difficult to get a valuation through the same.

The final approach is a comparable transaction method. It is also not possible to use this method since we do not have any observation present in this sector to check and verify, if any such similar transaction has happened. Hence, we cannot consider the same as independent transaction nor the same can be used for benchmarking.

- Asset or Cost approach is feasible for companies which have asset base or for companies with less or no operations to represent the true value per share. Company having Asset backing in form of Investment in Unquoted Equity shares, it is feasible to use Asset approach for calculation of the fair market of Equity Shares of the Company.
- Company having stable revenue streams as of now & in foreseeable future. Company which will have regular flow of income in the business and current profitability represents its future potential which will result into a constant regular flow of income in foreseeable future. So, income approach can be selected. Company which has visibility for stable flow of income in the future. Thus, it is feasible to use Income Approach for arriving at the value per share to represent the true value per share.

Considering the above, we have considered Asset and Income Approach for valuation of equity shares of PCAPL, EIBPL, PCPL, SPHPL and IPL. The method used is Net Asset Value ("NAV") Method as per Asset Approach and Discounted Free Cash Flow ("DFCF") Method as per Income Approach. The derivation of the methodologies used is explained in length as below.

Equal Weights are applied to the Value per Share arrived at from the two approaches of Valuation.

VALUATION METHODOLOGY, APPROACH AND ANALYSIS

All the Undertakings are being valued, considering their operations, following conclusion is arrived at:

Sr. No.	Name of Company	Operations	Method		
			DFCF	NAV	MP
1	Inland Printers Limited	Minor	[^] x	✓	* x
2	Parthiv Corporate Advisory Private Limited	Full fledged	x	✓	Not Applicable

[^] IPL did not have revenue from operations for the last 3 years and therefore it is not feasible to use the Income Approach as the same will not represent the true value per share and valuation under DFCF method is not considered.

* IPL did not have revenue from operations for the last 3 years and therefore it is not feasible to use the Comparable Companies Multiple method of Market Approach as the same will not represent the true value per share and valuation under CCM method is not considered.

Market Approach would have been considered for arriving at the value per share, since IPL is a listed entity. However, the shares are infrequently traded and therefore it is not feasible to use the MP method of Market Approach as the same will not represent the true value per share.

Non-Current Investments of PCAPL are being valued, considering their operations and following conclusion is arrived at:

Sr. No.	Name of Company	% Share	Operations	Method	
				DFCF	NAV
1	Efficient Insurance Brokers Private Limited	75.00%	Full fledged	✓	✓
2	Parthiv Capital Private Limited	50.00%	Minor	x	✓
3	Sapio Parthiv Heritech Private Limited	50.00%	Minor	x	✓

VALUATION METHODOLOGY, APPROACH AND ANALYSIS

METHODOLOGIES CONSIDERED FOR DISCOUNTED FREE CASH FLOWS VALUATION:

The following is the summary with respect to use of Discounted Free Cash Flows ("DFCF") to the Firm method which has been considered for estimating the fair market value of the equity shares. The DFCF to the Firm method expresses the present value of the business attributable to the financiers of the firm as a function of its future cash earnings capacity. The DFCF methodology is considered to be the most appropriate basis for determining the earning capability of a business. It expresses the value of a business as a function of expected future cash earnings in present value terms. The approach seeks to measure the intrinsic ability of the business to generate cash attributable to its financiers.

Free Cash Flow to the Firm ("FCFF") is arrived as follows:

- Profits after tax as per the projections have been considered.
- Finance Costs have been added.
- Depreciation & amortization on fixed assets have been added.
- Fund requirements for incremental working capital and capital expenditure have been reduced from the cash earnings of the respective years.
- The forecasted cash flows are discounted back to the present date, generating a net present value for the cash flow stream of the business. These cash flows of each year are discounted to at the Weighted Average Cost of Capital ("WACC"). Cost of Equity is worked out as per Capital Asset Pricing Model ("CAPM").
- After the explicit period, the business will continue to generate cash. A terminal value at the end of the explicit forecast period i.e. from 2026 onwards is then determined and that value is also discounted back to the valuation date to give an overall value for the business. In DFCF Method, therefore, perpetuity value is also considered to arrive at the equity value. The discounted perpetuity value is added to the discounted cash flows for the explicit period to arrive at the equity value.
- Borrowings have been deducted.
- Appropriate adjustments have been made for cash & cash equivalents and current or non-current investments to arrive at the Equity Value.

For the purpose of valuation of underlying equity shares in this transaction through DFCF methodology. For DFCF method we use either FCFF or FCFE or both, we have relied upon the projections provided by the Management for the period ending March 31, 2027 duly supplemented by its Terminal Value based on the Gordon Model along with the discussions held with the Management and extrapolating the free cash flows at an annual growth rate to arrive at terminal value.

VALUATION METHODOLOGY, APPROACH AND ANALYSIS

ASSET APPROACH: METHODOLOGY CONSIDERED FOR VALUATION BY ASSET VALUE METHOD:

The following is the summary with respect to use of Net Asset Value method which has been considered for estimating the fair value of the equity shares. This is also known as Balance Sheet Method or Intrinsic Method or Break-up Value Method or Valuation of Equity basis or Asset Backing Method.

This method of valuation indicates the asset backing to the business. For the purpose of arriving at Net Asset Value per share, the miscellaneous expenses carried forward, accumulated losses, total outside liabilities, revaluation reserves and capital reserves (except subsidy received in cash) shall be reduced from value of the total assets and the net figure so arrived at shall be divided by the number of equity shares issued and paid up.

Alternatively, intangible assets shall be reduced from the equity capital and reserves (excluding revaluation reserves) and the figure so arrived at shall be divided by the number of equity shares issued and paid up.

The Net Asset Value method is usually followed when the permanent investors determine the value of shares at the time of purchasing the shares or when shares are acquired for control motives. Here the emphasis is on the safety of investment as the investors always need safety for their investments.

The value as per Net Asset Method is arrived by:

Total Assets (excluding miscellaneous expenditure & debit balance in Profit & Loss Account) (Fair value of Immovable Property & Investments considered)
Less: Total Liabilities
Net Asset Value

For the purpose of valuation of equity shares in this transaction through NAV methodology, we have relied upon the Audited Financials as on December 31, 2022.

VALUATION OF PARTHIV CORPORATE ADVISORY PRIVATE LIMITED

VALUATION VARIABLES, ASSUMPTIONS & RATIONALE

Some of the basic variables and assumptions used in the Discounted Cash Flows method are:

- The Projected Cash flows from January 01, 2023 to March 31, 2027 have been considered. Free cash flows for the 1st period of projection are discounted for the 3 months. All the free cash flows are discounted based on mid-year discounting.
- We have considered audited financials for the period ended December 31, 2022 for the calculation of changes in non-cash working capital, cash & bank balances, short term & long-term borrowings, current or non-current investment and number of shares.
- As the perpetuity growth rate assumes that the Company will continue its historic business and generate Free Cash Flows at a steady state forever. Since terminal value constitutes a major proportion of the entire value of the business, we while deciding the terminal growth rate have given emphasis to economic factors & financial factors like Inflation of the Country, GDP growth of the Country, Projected Financials, Historical Financial Position, Organic & Inorganic growth strategies of the Company, etc. Accordingly, for perpetuity, we have considered 5.00% growth rate from the year 2026 onwards for the calculation of Terminal Value.
- The risk-free rate of 7.33% being considered for the calculation is the interest rate yield for a 10 Year India Government Bond.
(Source: <https://www.marketwatch.com/investing/bond/ldbmk10y/historical?countrycode=bx>)
- For the purpose of our valuation, we have considered mean reversion beta of 0.68 based on data published by Prof. Aswath Damodaran for Financial Services. (Non-bank & Insurance) & Business & Consumer Services sector in India. Mean reversion beta is re-levered at 1.01 with the target debt of 41% and target equity of 59%.
(Source: http://www.stern.nyu.edu/~adamodar/New_Home_Page/data.html)

Working of Unlevered Mean Reversion Beta:

Particulars	Beta	Weightage	Weightage Avg. Beta
Unlevered Beta	0.52	2/3	0.34
Mean Reversion Beta	1.00	1/3	0.33
Unlevered Mean Reversion Beta			0.68

- The Expected Return from Market is considered at 6.42% based on Equity Risk Premium from Indian Market.

- Company Specific Risk Premium is considered at 4.25 % (i.e., 1.00% each represented for 1 year of projection upto 5 year of projection).
- Accordingly, the Cost of Equity has been determined at 18.08% as per CAPM model.

VALUATION VARIABLES, ASSUMPTIONS & RATIONALE

- Cost of debt is considered at 17.55% and tax rate is considered at 27.82%. Cost of debt after tax is considered at 12.67%.
- Weights of target equity and target debt are considered at 59% and 41% respectively.
- WACC is considered at 15.88%.
- The Discount for Lack of Marketability ("DLOM") associated with an interest in a privately held entity reflects the difficulty or inability of the investor to sell their interest owing to the fact that there is no active market for interests in privately held companies and therefore DLOM is considered at @ 20% of the Equity Value.

WEIGHTED AVERAGE VALUATION

Since, there is reasonable variation in the equity values arrived as per FCFF and NAV methods. It is advisable to consider both the methods. Therefore, we have applied equal weights to all the methods and considered weighted average equity value:

Valuation Approach	Method	Equity Value (Rs. in Lakhs)	Weights	Weighted Equity Value
Income Approach	DFCF - FCFF	286.56	50.00%	143.28
Asset Approach	NAV	1,156.14	50.00%	578.07
Weighted Average Equity Value				721.35
Number of Shares				4,23,870
Fair Market Value per Share (Rs.)				170.18

Based on our Analysis of the Company and subject to our comments and caveats as further detailed in this report, we have arrived at the Weighted Average Fair Value of equity shares of the Company at Rs. 721.35 lakhs and the value per equity share having face value of Rs. 10 each at Rs. 170.18 per share.

Note: Since, the projections of the Company have significant fluctuations with respect to changes in net borrowings, therefore considering this unstability in debt structure and constant change in borrowings, we have not considered FCFE for valuation purpose.

VALUATION OF EFFICIENT INSURANCE BROKERS PRIVATE LIMITED

VALUATION VARIABLES, ASSUMPTIONS & RATIONALE

Some of the basic variables and assumptions used in the Discounted Cash Flows method are:

- The Projected Cash flows from January 01, 2022 to March 31, 2027 have been considered. Free cash flows for the 1st period of projection are discounted for the 3 months. All the free cash flows are discounted based on mid-year discounting.
- We have considered audited financials for the period ended December 31, 2022 for the calculation of changes in non-cash working capital, cash & bank balances, short term & long-term borrowings, current or non-current investment and number of shares.
- As the perpetuity growth rate assumes that the Company will continue its historic business and generate Free Cash Flows at a steady state forever. Since terminal value constitutes a major proportion of the entire value of the business, we while deciding the terminal growth rate have given emphasis to economic factors & financial factors like Inflation of the Country, GDP growth of the Country, Projected Financials, Historical Financial Position, Organic & Inorganic growth strategies of the Company, etc. Accordingly, for perpetuity, we have considered 5.00% growth rate from the year 2027 onwards for the calculation of Terminal Value.
- The risk-free rate of 7.33% being considered for the calculation is the interest rate yield for a 10 Year India Government Bond.
(Source: <https://www.marketwatch.com/investing/bond/ldbmkin-10y/historical?countrycode=bx>)
- For the purpose of our valuation, we have considered Mean Reversion Beta of 1.42 pertaining to Insurance (Prop/Cas.) sector based on data published by Prof. Aswath Damodaran for Indian markets.
(Source: http://www.stern.nyu.edu/~adamodar/New_Home_Page/data.html)

Working of Unlevered Mean Reversion Beta:

Particulars	Beta	Weightage	Weightage Avg. Beta
Unlevered Beta	1.63	2/3	1.09
Mean Reversion Beta	1.00	1/3	0.33
Unlevered Mean Reversion Beta			1.42

- The Expected Return from Market is considered at 6.42% based on Equity Risk Premium.
- Company Specific Risk Premium is considered at 4.25 % (i.e., 1.00% each represented for 1 year of projection upto 5 year of projection).

- Accordingly, the Cost of Equity has been determined at 23.86% as per CAPM model.

VALUATION VARIABLES, ASSUMPTIONS & RATIONALE

- Cost of debt is considered at 16.62% and tax rate is considered at 27.82%. Cost of debt after tax is considered at 11.99%
- Weights of target equity and target debt are considered at 67% and 33% respectively.
- WACC is considered at 19.99%.
- The Discount for Lack of Marketability ("DLOM") associated with an interest in a privately held entity reflects the difficulty or inability of the investor to sell their interest owing to the fact that there is no active market for interests in privately held companies and therefore DLOM is considered at @ 20% of the Equity Value.

- c. Certificate dated 9th March, 2023 from NGS & Co. LLP, Chartered Accountants and the Statutory Auditors of the Company confirming that the accounting treatment in the draft Scheme is in accordance with the applicable accounting standards and applicable law.

4. Rationale of the Scheme

The proposed merger of the Transferor Company (including the Undertaking (as defined hereinafter) of the Transferor Company) into and with the Transferee Company would inter alia have the following benefits for both the Parties and their respective shareholders, employees, creditors and other stakeholders:

- (a) To consolidate the business of the Transferor Company and the Transferee Company, which would make the business activities more sustainable in the long term as well as help them to grow faster.
- (b) Create value for stakeholders including respective shareholders, customers, lenders and employees as the combined business would benefit from increased scale, expanded reach, higher cross selling opportunities to a larger base of customers, improvement in productivity amongst others;
- (c) better administration and cost optimization are expected to flow from more focused operational efforts, standardization and simplification of business processes, and the elimination of duplication, and rationalization of administrative expenses as well as compliance cost;
- (d) Pooling of resources and achieving economies of scale;
- (e) Greater integration and flexibility to Transferee Company and strengthen its position in terms of asset base, revenues and service range;
- (f) Pursuant to the implementation of the Scheme, the objects of the Transferor Company and the Transferee Company can be conveniently, advantageously and economically carried on by a single entity.
- (g) The restructuring proposed under the Scheme will not affect the normal business operations of the Transferee Company, but would improve the same.

6) Valuation

Valuation Report dated 9th March, 2023 issued by Nishant Soni & Associates, Chartered Accountants, Mumbai, Registered Valuer describing inter alia the methodology adopted by them in arriving at the share valuation including the share entitlement ratio and setting out the details of computation of fair entitlement ratios for the proposed arrangement (“Valuation Report”).

- a. For the purpose of arriving at the share entitlement ratio, the valuation report was obtained in terms of circular No. SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665 dated November 23, 2021 issued by the Securities and Exchange Board of India.
- b. Nishant Soni & Associates., Chartered Accountants, Mumbai and Registered Valuer have not expressed any difficulty while carrying out the valuation and share entitlement ratio.
- c. The Transferee Company is a listed company with its share listed on BSE and it is therefore governed by the provisions of Section 158 (b) of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018. Accordingly, issuance of share pursuant to section 230 to 232 of the Companies Act, 2013, if the shares are issued to the shareholders of unlisted entity, then the pricing conditions that apply to the preferential issue shall apply while calculating the price for share entitlement ratio.
- d. Nishant Soni & Associates., Chartered Accountants, Mumbai have derived the fair value of the Transferee Company on the basis of Asset approach as income and Market approach was not applied. The shares of the Transferee Company are infrequently traded and therefore market price could not be discovered.
- e. Based on the above the fair ratio of exchange is as under;

33,34,833 (Thirty-Three Lakhs Thirty-Four Thousand Eight Hundred Thirty-Three) Equity Share of Rs.10/- each fully paid up of the Transferee Company for every 1,00,000 (One Lakh) Equity Shares of Rs.10/- each fully paid up held in Transferor Company.”

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF PARTHIV CORPORATE ADVISORY PRIVATE LIMITED ('COMPANY') IN ACCORDANCE WITH SECTION 232(2)(C) OF THE COMPANIES ACT, 2013 AT ITS MEETING HELD ON 7TH JULY, 2023

1. The Board of Directors ('Board') of the Company at their meeting held on 7th July, 2023 had approved a revised draft of the proposed Scheme of Arrangement and Amalgamation of Parthiv Corporate Advisory Private Limited (Transferor Company) with Inland Printers Limited (Transferee Company) and their respective shareholders.
2. Pursuant to this Scheme of amalgamation, the shareholders of the Transferor Company will be issued 27 (Twenty-Seven) Equity Share of Rs.10/- each fully paid up of the Transferee Company for every 1 (One) Equity Shares of Rs.10/- each fully paid up held in Transferor Company."
3. As per Section 232(2) (c) of the Companies Act, 2013 a report is required to be adopted by the Directors explaining effect of the revised scheme on each class of shareholders, key managerial personnel, promoters, non-promoter shareholders of the Company laying out in particular the Share exchange ratio, specifying any special valuation difficulties.

- c. Certificate dated 9th March, 2023 from NGS & Co. LLP, Chartered Accountants and the Statutory Auditors of the Company confirming that the accounting treatment in the draft Scheme is in accordance with the applicable accounting standards and applicable law.

4. RATIONAL FOR REVISING THE SCHEME

The Chairman stated that all the terms and conditions would remain same in the Scheme approved on 9th March, 2023 except the Clause 11.1 of Part C of the said Scheme regarding the swap ratio in which the shares to be issued to the shareholders of the Transferor Company. The swap ratio was revised to 1:27 that means for every one share held by the shareholder in the Transferor Company would be eligible to receive 27 Equity Shares of the Transferee Company. The lowering of the swap ratio would be beneficial to the public shareholders of the Transferee company as it would increase their percentage in the Company and would also ensure that the Transferee Company has a serviceable Equity Capital base. The most importantly the revised share exchange ratio would be in compliance with the provisions of Para A, clause 3(b) of SEBI Circular SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665 dated 23rd November, 2021.

- a. For the purpose of arriving at the share entitlement ratio, the valuation report was obtained in terms of circular No. SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665 dated November 23, 2021 issued by the Securities and Exchange Board of India.
- b. Nishant Soni & Associates., Chartered Accountants, Mumbai and Registered Valuer have not expressed any difficulty while carrying out the valuation and share entitlement ratio.
- c. The Transferee Company is a listed company with its share listed on BSE and it is therefore governed by the provisions of Section 158 (b) of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018. Accordingly, issuance of share pursuant to section 230 to 232 of the Companies Act, 2013, if the shares are issued to the shareholders of unlisted entity, then the pricing conditions that apply to the preferential issue shall apply while calculating the price for share entitlement ratio.
- d. Nishant Soni & Associates., Chartered Accountants, Mumbai have derived the fair value of the Transferee Company on the basis of Asset approach as income and Market approach was not applied. The shares of the Transferee Company are infrequently traded and therefore market price could not be discovered.
- e. Based on the above the fair ratio of exchange is as under;

33,34,833 (Thirty-Three Lakhs Thirty-Four Thousand Eight Hundred Thirty-Three) Equity Share of Rs.10/- each fully paid up of the Transferee Company for every 1,00,000 (One Lakh) Equity Shares of Rs.10/- each fully paid up held in Transferor Company."

REPORT ADOPTED BY THE BOARD OF DIRECTORS OF INLAND PRINTERS LIMITED (‘COMPANY’) IN ACCORDANCE WITH SECTION 232(2)(C) OF THE COMPANIES ACT, 2013 AT ITS MEETING HELD ON 7TH JULY, 2023

1. The Board of Directors (‘Board’) of the Company at their meeting held on 7th July, 2023 had approved a revised draft of the proposed Scheme of Arrangement and Amalgamation of Parthiv Corporate Advisory Private Limited (Transferor Company) with Inland Printers Limited (Transferee Company) and their respective shareholders.
2. Pursuant to this Scheme of amalgamation, the shareholders of the Transferor Company will be issued 27 (Twenty-Seven) Equity Share of Rs.10/- each fully paid up of the Transferee Company for every 1 (One) Equity Shares of Rs.10/- each fully paid up held in Transferor Company.”
3. As per Section 232(2) (c) of the Companies Act, 2013 a report is required to be adopted by the Directors explaining effect of the revised scheme on each class of shareholders, key managerial personnel, promoters, non-promoter shareholders of the Company laying out in particular the Share exchange ratio, specifying any special valuation difficulties.
 - a. Having regard to the applicability of the aforesaid provisions, the revised scheme and the following documents are placed before the Board; Valuation Report dated 9th March, 2023 of M/s Nishant Soni & Associates, Chartered Accountants, Mumbai Registered Valuer, Mumbai, describing inter alia the methodology adopted by them in arriving at the share valuation including the share entitlement ratio and setting out the details of computation of fair entitlement ratios for the proposed amalgamation (‘Valuation Report’)
 - b. Fairness Opinion dated 9th March, 2023 issued by M/s. Beeline Capital Advisors Private Limited, a SEBI Registered Merchant Banker, providing its opinion on the fairness of the Valuation Report and the Share Entitlement Ratio.

4. RATIONAL FOR REVISING THE SCHEME

The Chairman stated that all the terms and conditions would remain same in the Scheme approved on 9th March, 2023 except the Clause 11.1 of Part C of the said Scheme regarding the swap ratio in which the shares to be issued to the shareholders of the Transferor Company.

The swap ratio was revised to 1:27 that means for every one share held by the shareholder in the Transferor Company would be eligible to receive 27 Equity Shares of the Transferee Company. The lowering of the swap ratio would be beneficial to the public shareholders of the Transferee company as it would increase their percentage in the Company and would also ensure that the Transferee Company has a serviceable Equity Capital base. The most importantly the revised share exchange ratio would be in compliance with the provisions of Para A, clause 3(b) of SEBI Circular SEBI/HO/CFD/DIL1/CIR/P/2021/0000000665 dated 23rd November, 2021.

CHAIRMAN

INDEPENDENT AUDITOR'S REPORT

To the members of Inland Printers Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Inland Printers Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023 and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit matters

Key Audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion there on, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters that need to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in planning the scope of our audit work and in evaluating the results of our work; and to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. Proviso to Rule 3(1) of Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
3. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.

Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, no remuneration paid by the Company to its directors during the year.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. In view of there being no amounts required to be transferred to the Investor Education and Protection Fund for the year under audit, the reporting under this clause applicable.

- A. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kinds of funds) by the Company to or in any other person or entity, including foreign entity (“intermediaries”), with the understanding , whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“ Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries:
- B. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“ Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly,

lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“ Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- C. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (I) of Rule 11(e), as provided under (A) and (B) above, contain any material misstatement.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Inland Printers Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. The Company does not have any PPE and hence reporting under clause 3(i) of the Order is not applicable.
- ii.
 - (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.
 - (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii. On the basis of the information and explanations furnished to us and based on the books of accounts and financial statements of the Company, the Company has not made investments in, provided any guarantee or security or granted any loans or stood guarantor or provided any security to any other entity during the year. Hence reporting under Clause 3(iii) of the Order is not applicable.
- iv. The Company has not granted any loans, investments made and guarantees and securities provided covered under the provisions of Section 185 and 186 of the Companies Act, 2013 and hence reporting under clause 3(iv) of the Order is not applicable.
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has not been specified by the Central Government under sub- section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix.
 - (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) During the company has not received any whistle blower complaints hence reporting under clause 3(xi)(c) of the Order is not applicable.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. During the year Section 135(1) of the Act is not applicable to the company, hence reporting under clause 3(xx)(a) of the Order is not applicable.
- xxi. During the year, there are no remarks by the respective auditor of the Company to be included in the Consolidated Financial Statement, hence clause 3(xxi) of the order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 3(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Inland Printers Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub- section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

1. We have audited the internal financial controls over financial reporting of **Inland Printers Limited** (the “Company”) as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

2. The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Inland Printers Limited**Note 1****I Company Formation:**

The Company was incorporated as a public limited company on 3rd November, 1978. The Company is engaged in E-commerce activity relating to printing business. The equity shares of the Company are listed at the Bombay Stock Exchange (BSE).

II Basis of Preparation, Measurement and Significant Accounting Policies**(A) Basis of preparation of Financial Statements**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(B) Key Accounting Estimates and Judgements

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Current /Non Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- (i) the asset/liability is expected to be settled/realised in the Company's normal operating cycle
- (ii) the asset is intended for sale or consumption
- (iii) the asset/liability is held primarily for the purpose of trading
- (iv) the asset/liability is expected to be realised/settled within twelve months after the reporting period.
- (v) the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- (vi) in the case of a liability, the Company does not have unconditional right to defer settlement of the liability for at least twelve months after reporting date.

All other assets and liabilities are classified as non-current

(C) Significant Accounting Policies**i Statement of Compliances with Indian Accounting Standards (Ind AS)**

The financial statements of the Company comply in all material aspects with IND AS notified under Section 133 of the Companies Act, 2013, [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other applicable laws.

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values

ii Basis of Preparation and Presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values

iii Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs comprises purchase price and any attributable cost of bringing the assets to its working condition for its intended use. The cost of property, plant and equipment acquired in a business combination is recorded at fair value on the date of acquisition.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on De-recognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

Inland Printers Limited

- iv Depreciation on property, plant and equipment has been provided on Straight Line Method over their useful lives. Estimated useful lives of the assets are as below:

Property, Plant and Equipment	Number of Years
Plant and Equipment	15 years
Office Equipment	5 years
Furniture, Fixture and other Fittings*	7 years
Leasehold Improvement*	Lease term or 7 years, whichever is lower
Vehicle	8 years
Computers (End User Device)	3 years
Computers (Other than End User Device)	6 years

*Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, estimated useful lives and methods of depreciation are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

- v **Intangible Assets**
Intangible Assets are carried at acquisition cost less accumulated amortisation and accumulated impairment losses, if any. Acquisition cost includes Estimated useful lives of the Intangible assets are as follows:

Intangible Assets	Useful lives
Computer Software	6 years
License Rights	Over the period of License

- vi **Revenue Recognition:**

Rendering of services

Revenue from a contract to provide services is recognised as they are rendered based on arrangements with the customers.

- vii **Leases**

The Company as a lessee

The Company's Lease assets classes primarily consist of leases for Buildings (Leased Stores). The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU" and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight line basis over the term of the relevant lease.

Inland Printers Limited**viii Taxation:****Income Taxes:**

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off corresponding current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Earnings Per Share:

ix Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

x Borrowing costs

Borrowing costs that is directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

xi Employee benefits**Short term employee benefits**

All employee benefits payable wholly within twelve months from reporting date are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives and the expected cost of bonus etc. are recognised as an expense at the undiscounted amount in statement of profit and loss for the period in which the related service is rendered.

Post-employment defined contribution benefits

Payment to defined contribution plans such as provident fund, employee state insurance etc. are recognised as expense when employees have rendered services entitling them to such contributions. Company has no further payment obligations once the contributions have been paid.

Post-employment defined benefit benefits

Cost of post-employment benefit plans such as gratuity are recognised as an expense in the statement of profit and loss for the period in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using projected unit credit method, with actuarial valuation techniques at the end of each annual reporting period. Service cost (including current service cost, past service cost) and interest expense are recognised in the statement of profit and loss. Gains and losses through re-measurements of the net defined benefit liability are recognised in other comprehensive income. The effect of any plan amendments are recognised in statement of profit and loss.

Other long term employee benefit

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date. Cost of other long term benefits are determined using projected unit credit method, with actuarial valuation techniques at the end of each annual reporting period and the cost (including re-measurement) is recognised in statement of profit and loss.

xii Inventories

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on weighted average basis. Cost of inventories comprise of cost of purchase, cost of conversion and other related cost incurred in bringing the inventories to their present location and condition.

Inland Printers Limited**xiii Foreign currencies**

Indian rupees (₹) is the functional currency of the Company. In preparing these financial statements, transactions in currencies other than the functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in statement of profit and loss in the period in which they arise except for exchange differences which are regarded as an adjustment to interest cost as per policy on borrowing cost.

Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

xiv

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed. When the Company expects some or all of a provision to be reimbursed, reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

xv**Financial instruments**

Classification as financial liability or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial assets and financial liabilities- Initial recognition.

Financial instruments comprise of financial assets and financial liabilities. Financial assets primarily comprise of investments, loans, deposits, trade receivables and cash and bank balances. Financial liabilities primarily comprise of borrowings, trade and other payables and financial guarantee contracts.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets/ issue of financial liabilities are added to the fair value of the financial assets/ subtracted from fair value of financial liabilities on initial recognition, except for financial asset/ liability is subsequently measured at fair value through profit or loss.

Subsequent measurement**Financial assets and financial liabilities at amortised cost**

After initial recognition all financial assets (other than investment in equity instruments and derivative instruments) are subsequently measured at amortised cost using the effective interest method. All financial liabilities (other than derivative liabilities), subsequently after initial recognition, are measured at amortised cost using effective interest method. The Company has not designated any financial asset or financial liability as fair value through profit or loss ("FVTPL").

Financial assets and financial liabilities at FVTPL

All derivative assets and derivative liabilities are always measured at FVTPL with fair value changes is being recognised in statement of profit and loss.

Investment in equity instruments either at FVTPL or FVTOCI

Investment in equity instruments are measured at FVTPL with fair value changes is being recognised in statement of profit and loss. However, on initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

Financial guarantee obligation

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

After initial recognition of financial guarantee obligation at fair value, the Company subsequently measured it at the higher of:

Amount of loss determined in accordance with impairment requirement under Ind AS 109 (see policy on impairment of financial asset); and

The amount initially recognised less, when appropriate, the cumulative income recognised.

Inland Printers Limited**Impairment of financial asset**

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

De-recognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

xvi Operating segment

The management views the Company's operation as a single segment engaged in E-Commerce activity relating to Printing Business . Hence there is no separate reportable segment under Ind AS 108 'Operating segment'.

xvii Key sources of estimation uncertainty and critical accounting judgements

In the course of applying the accounting policies, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

Key sources of estimation uncertainty**Useful lives of property, plant and equipment**

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

Impairment of property, plant and equipment, investment in subsidiaries, joint ventures and associates

Determining whether the assets are impaired requires an estimate in the value in use of cash generating units. It requires to estimate the future cash flows expected to arise from the cash generating units and a suitable discount rate in order to calculate present value. When the actual cash flows are less than expected, a material impairment loss may arise.

Provisions, liabilities and contingencies

The timing of recognition of provision requires application of judgement to existing facts and circumstances which may be subject to change

Fair value measurements

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation.

The management works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. A degree of estimate is required in establishing fair values.

INDEPENDENT AUDITOR'S REPORT

The Members,
PARTHIV CORPORATE ADVISORY PRIVATE LIMITED
MUMBAI,

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **PARTHIV CORPORATE ADVISORY PRIVATE LIMITED**, ("the Company"), which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its Profit for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the act, reporting under the said order is either Nil or not applicable to the Company.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, and the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of written representations received from the directors as on 31 March, 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2023, from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, reporting on the same is not applicable for the Company as it is exempt vide notification 583(E) dated 13th June 2017 read with General Circular no.8 dated 25th July 2017.

There are no other obligations other than the contribution payable to the respective funds.

(g) Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number or equity shares outstanding during the period.

(h) Contingent Liabilities and Provisions

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because It is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases when there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made.

INDEPENDENT AUDITOR'S REPORT

**The Members,
PARTHIV CORPORATE ADVISORY PRIVATE LIMITED
MUMBAI,**

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Parthiv Corporate Advisory Private Limited**, (“the Company”) and its subsidiary Company **Efficient Insurance Brokers Private Limited** and Associates Company **Sapio Parthiv Heritech Private Limited & Parthiv Capital Private Limited**, which comprise the Balance Sheet as at 31 March 2023, and the Statement of Profit and Loss for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under Section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023 and its Profit for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the consolidated Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of

accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associates and joint ventures, as noted in the 'other matters' paragraph we report, to the extent applicable, that:

- (a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements;
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2023 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its

Parthiv Corporate Advisory Private Limited and its Subsidiary

Notes annexed to and forming part of Consolidated Financial Statements for the year ended 31st March, 2023

1. Background

Parthiv Corporate Advisory Private Limited (hereinafter referred to as 'The Company') was incorporated on 16th February, 2017. The Company is engaged in the business as carry on in India or abroad the business of providing all types of advisory and consultancy services related to project report, search reports, direct selling agents, corporate advisory services, documentations, liaisoning with government departments, internet based services and to do all things usually dealt in by persons carrying on the above mentioned businesses or any of them or likely to be required, in connection with any of the said business

2. Basis of Preparation

The financial statements of the company have been prepared in accordance with accounting principles generally accepted in India (Indian GAAP). The financial statements have been prepared to comply in all material respects with the accounting standard's specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian Rupees rounded off to the nearest rupee.

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance as set out in the Schedule III to the Companies Act, 2013. Accordingly the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.1 Summary of Significant Accounting Policies

(a) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the period presented. Actual results could differ from those estimates. Any change in the estimate is adjusted prospectively.

(b) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at bank.

(c) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty. The Company has not earned any revenue during the financial year under Audit.

(d) Preliminary Expenses

Preliminary Expenses are being amortized over a period of five years

(e) Employee Benefit

(i) Defined Contribution Plan

Retirement benefits in the form of provident fund are defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

(f) Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

(g) Contingent Liabilities and Provisions

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases when there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made.

Independent Auditor's Review Report on the Quarterly Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**To the Board of Directors of
Inland Printers Limited**

1. We have reviewed the accompanying statement of unaudited financial results of Inland Printers Limited (the "Company") for the quarter and half year ended September 30, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Inland Printers Limited

Note 1

I Company Formation:

The Company was incorporated as a public limited company on 3rd November, 1978. The Company is engaged in E-commerce activity relating to printing business. The equity shares of the Company are listed at the Bombay Stock Exchange (BSE).

II Basis of Preparation, Measurement and Significant Accounting Policies

(A) Basis of preparation of Financial Statements

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

(B) Key Accounting Estimates and Judgements

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. The recognition, measurement, classification or disclosure of an item or information in the financial statements is made relying on these estimates. The estimates and judgements used in preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

Current /Non Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- (i) the asset/liability is expected to be settled/realised in the Company's normal operating cycle
- (ii) the asset is intended for sale or consumption
- (iii) the asset/liability is held primarily for the purpose of trading
- (iv) the asset/liability is expected to be realised/settled within twelve months after the reporting period.
- (v) the asset is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- (vi) in the case of a liability, the Company does not have unconditional right to defer settlement of the liability for at least twelve months after reporting date.

All other assets and liabilities are classified as non-current

(C) Significant Accounting Policies

i Statement of Compliances with Indian Accounting Standards (Ind AS)

The financial statements of the Company comply in all material aspects with IND AS notified under Section 133 of the Companies Act, 2013, [Companies (Indian Accounting Standards) Rules, 2015 (as amended)] and other applicable laws.

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values

ii Basis of Preparation and Presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values

iii Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs comprises purchase price and any attributable cost of bringing the assets to its working condition for its intended use. The cost of property, plant and equipment acquired in a business combination is recorded at fair value on the date of acquisition.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on De-recognition of the asset is included in the Statement of Profit or Loss when the asset is derecognised.

Inland Printers Limited

- iv** Depreciation on property, plant and equipment has been provided on Straight Line Method over their useful lives. Estimated useful lives of the assets are as below:

Property, Plant and Equipment	Number of Years
Plant and Equipment	15 years
Office Equipment	5 years
Furniture, Fixture and other Fittings*	7 years
Leasehold improvement*	Lease term or 7 years, whichever is lower
Vehicle	8 years
Computers (End User Device)	3 years
Computers (Other than End User Device)	6 years

*Based on technical evaluation, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence, the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The residual values, estimated useful lives and methods of depreciation are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for prospectively.

v Intangible Assets

Intangible Assets are carried at acquisition cost less accumulated amortisation and accumulated impairment losses, if any. Acquisition cost includes Information system related Costs as well as costs incurred for enhancement and improvements. Amortisation is recognised on a straight line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period and the effect of any changes in estimates is accounted for prospectively.

Estimated useful lives of the Intangible assets are as follows:

Intangible Assets	Useful lives
Computer Software	6 years
License Rights	Over the period of License

vi Revenue Recognition:

Rendering of services

Revenue from a contract to provide services is recognised as they are rendered based on arrangements with the customers.

vii Leases

The Company as a lessee

The Company's Lease assets classes primarily consist of leases for Buildings (Leased Stores). The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU" and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight line basis over the term of the relevant lease.

viii Taxation:

Income Taxes:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off corresponding current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Earnings Per Share:

ix Basic EPS is arrived at based on net profit after tax available to equity shareholders to the weighted average number of equity shares outstanding during the year.

The diluted EPS is calculated on the same basis as basic EPS, after adjusting for the effects of potential dilutive equity shares unless impact is anti-dilutive.

x Borrowing costs

Borrowing costs that is directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in the statement of profit or loss in the period in which they are incurred.

xi Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months from reporting date are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives and the expected cost of bonus etc. are recognised as an expense at the undiscounted amount in statement of profit and loss for the period in which the related service is rendered.

Post-employment defined contribution benefits

Payment to defined contribution plans such as provident fund, employee state insurance etc. are recognised as expense when employees have rendered services entitling them to such contributions. Company has no further payment obligations once the contributions have been paid.

Post-employment defined benefit benefits

Cost of post-employment benefit plans such as gratuity are recognised as an expense in the statement of profit and loss for the period in which the employee has rendered services. The expense is recognised at the present value of the amounts payable determined using projected unit credit method, with actuarial valuation techniques at the end of each annual reporting period. Service cost (including current service cost, past service cost) and interest expense are recognised in the statement of profit and loss. Gains and losses through re-measurements of the net defined benefit liability are recognised in other comprehensive income. The effect of any plan amendments are recognised in statement of profit and loss.

Other long term employee benefit

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date. Cost of other long term benefits are determined using projected unit credit method, with actuarial valuation techniques at the end of each annual reporting period and the cost (including re-measurement) is recognised in statement of profit and loss.

xii Inventories

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on weighted average basis. Cost of inventories comprise of cost of purchase, cost of conversion and other related cost incurred in bringing the inventories to their present location and condition.

xiii Foreign currencies

Indian rupees (₹) is the functional currency of the Company. In preparing these financial statements, transactions in currencies other than the functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in statement of profit and loss in the period in which they arise except for exchange differences which are regarded as an adjustment to interest cost as per policy on borrowing cost.

Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

xiv Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed except when realisation of income is virtually certain, related asset is disclosed. When the Company expects some or all of a provision to be reimbursed, reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

xv Financial Instruments

Classification as financial liability or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial assets and financial liabilities- Initial recognition

Financial instruments comprise of financial assets and financial liabilities. Financial assets primarily comprise of investments, loans, deposits, trade receivables and cash and bank balances. Financial liabilities primarily comprise of borrowings, trade and other payables and financial guarantee contracts.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets/ issue of financial liabilities are added to the fair value of the financial assets/ subtracted from fair value of financial liabilities on initial recognition, except for financial asset/ liability is subsequently measured at fair value through profit or loss.

Subsequent measurement

Financial assets and financial liabilities at amortised cost

After initial recognition all financial assets (other than investment in equity instruments and derivative instruments) are subsequently measured at amortised cost using the effective interest method. All financial liabilities (other than derivative liabilities), subsequently after initial recognition, are measured at amortised cost using effective interest method. The Company has not designated any financial asset or financial liability as fair value through profit or loss ("FVTPL").

Financial assets and financial liabilities at FVTPL

All derivative assets and derivative liabilities are always measured at FVTPL with fair value changes is being recognised in statement of profit and loss.

Investment in equity instruments either at FVTPL or FVTOCI

Investment in equity instruments are measured at FVTPL with fair value changes is being recognised in statement of profit and loss. However, on initial recognition, the Company can make an irrevocable election (on an instrument-by-instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments. This election is not permitted if the equity investment is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

Financial guarantee obligation

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

After initial recognition of financial guarantee obligation at fair value, the Company subsequently measured it at the higher of:

- Amount of loss determined in accordance with impairment requirement under Ind AS 109 (see policy on impairment of financial asset); and
- The amount initially recognised less, when appropriate, the cumulative income recognised.

Inland Printers Limited

Impairment of financial asset

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, trade receivables and other contractual rights to receive cash or other financial asset, and financial guarantees not designated as at FVTPL.

Expected credit losses are the weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e. all cash shortfalls), discounted at the original effective interest rate.

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

For trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses.

De-recognition of financial asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

xvi Operating segment

The management views the Company's operation as a single segment engaged in E-Commerce activity relating to Printing Business . Hence there is no separate reportable segment under Ind AS 108 'Operating segment'.

xvii Key sources of estimation uncertainty and critical accounting judgements

In the course of applying the accounting policies, the Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future periods.

Key sources of estimation uncertainty

Useful lives of property, plant and equipment

Management reviews the useful lives of property, plant and equipment at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly, depreciable lives are reviewed annually using the best information available to the Management.

Impairment of property, plant and equipment, investment in subsidiaries, joint ventures and associates

Determining whether the assets are impaired requires an estimate in the value in use of cash generating units. It requires to estimate the future cash flows expected to arise from the cash generating units and a suitable discount rate in order to calculate present value. When the actual cash flows are less than expected, a material impairment loss may arise.

Provisions, liabilities and contingencies

The timing of recognition of provision requires application of judgement to existing facts and circumstances which may be subject to change

Fair value measurements

Some of the Company's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Company uses market-observable data to the extent it is available. Where Level 1 inputs are not available, the Company engages third party qualified valuers to perform the valuation.

The management works closely with the qualified external valuers to establish the appropriate valuation techniques and inputs to the model. A degree of estimate is required in establishing fair values.

INDEPENDENT AUDITORS' REPORT**To the Board of Directors of Parthiv Corporate Advisory Private Limited****Opinion**

We have audited the condensed standalone interim financial statements of Parthiv Corporate Advisory Private Limited ("the Company"), which comprise the condensed standalone interim balance sheet as at 30th September, 2023, the condensed standalone interim statement of profit and loss (including other comprehensive income) for the period ended, the condensed standalone interim statement of changes in equity and the condensed standalone interim statement of cash flows for the period ended, and notes to the condensed standalone interim financial statements, including a summary of the significant accounting policies ("the condensed standalone interim financial statements") and other explanatory information, as required by Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed standalone interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 30th September 2023, profit and other comprehensive income for the period ended, changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Condensed Standalone Interim Financial Statements

The Company's management and the Board of Directors are responsible for the preparation of these condensed standalone interim financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India.

INDEPENDENT AUDITORS' REPORT (CONTINUED)**Management's Responsibilities for the Condensed Standalone Interim Financial Statements (continued)**

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed standalone interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the condensed standalone interim financial statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed standalone interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed standalone interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed standalone interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

**Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements
(continued)**

- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the condensed standalone interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed standalone interim financial statements, including the disclosures, and whether the condensed standalone interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

1. Background

Parthiv Corporate Advisory Private Limited is a Private Limited Company incorporated on 16th February, 2017 ("The Company") under the provision of the Companies Act, 2013. The Company engaged in provides all types of advisory and consultancy services related to project report, search report, corporate advisory services, documentations, liaisoning with government departments. To carry on the business of consultants in all fields including financial management, business management.

2. Basis of Preparation

The financial statements of the company have been prepared in accordance with accounting principles generally accepted in India (Indian GAAP). The financial statements have been prepared to comply in all material respects with the accounting standard's specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian Rupees rounded off to the nearest rupee.

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance as set out in the Schedule III to the Companies Act, 2013. Accordingly the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.1 Summary of Significant Accounting Policies

(a) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the period presented. Actual results could differ from those estimates. Any change in the estimate is adjusted prospectively.

(b) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at bank.

(c) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty.

(d) Fixed Assets

i. Tangible Assets

Tangible assets are stated at cost of acquisition less accumulated depreciation and impairment losses, if any. Cost comprises of purchase price, import duties, other non-refundable taxes or levies and any other directly attributable cost of bringing the assets to its working condition for its intended use.

Subsequent expenditure related to an Item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, Including day-to-day repair and maintenance expenditure and cost of replacing parts are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

Gain/losses on disposal of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the assets is recognized in the Statement of Profit and Loss.

ii. Depreciation and Amortization

Leasehold improvements are depreciated over the unexpired period of lease.

Depreciation and amortization is provided under Written Down Value Method and in manner prescribed under schedule II to the Companies Act 2013

Assets	Estimated Useful Life (In Years)

Office Equipments	3
Furniture & Fixtures	10
Vehicle	8
Software	10
Electronic Goods	10

(e) Employee Benefit**(f) Defined Contribution Plan**

Retirement benefits in the form of provident fund are defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

(g) Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number or equity shares outstanding during the period.

(h) Contingent Liabilities and Provisions

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because It is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases when there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Parthiv Corporate Advisory Private Limited

Opinion

We have audited the condensed consolidated interim financial statements of Parthiv Corporate Advisory Private Limited ("the Company"), which comprise the condensed consolidated interim balance sheet as at 30th September, 2023, the condensed consolidated interim statement of profit and loss (including other comprehensive income) for the period ended, the condensed consolidated interim statement of changes in equity and the condensed consolidated interim statement of cash flows for the period ended, and notes to the condensed consolidated interim financial statements, including a summary of the significant accounting policies ("the condensed consolidated interim financial statements") and other explanatory information, as required by Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed consolidated interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 30th September 2023, profit and other comprehensive income for the period ended, changes in equity and its cash flows for the period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Condensed consolidated Interim Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed consolidated interim financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Condensed consolidated Interim Financial Statements

The Company's management and the Board of Directors are responsible for the preparation of these condensed consolidated interim financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Management's Responsibilities for the Condensed consolidated Interim Financial Statements (continued)

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed consolidated interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the condensed consolidated interim financial statements, the management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed consolidated Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed consolidated interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed consolidated interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed consolidated interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

INDEPENDENT AUDITORS' REPORT (CONTINUED)**Auditor's Responsibilities for the Audit of the Condensed consolidated Interim Financial Statements(continued)**

- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the condensed consolidated interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed consolidated interim financial statements, including the disclosures, and whether the condensed consolidated interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

1. Background

Parthiv Corporate Advisory Private Limited (hereinafter referred to as 'The Company') was incorporated on 16th February, 2017. The Company is engaged in the business as carry on in India or abroad the business of providing all types of advisory and consultancy services related to project report, search reports, direct selling agents, corporate advisory services, documentations, liaisoning with government departments, internet based services and to do all things usually dealt in by persons carrying on the above mentioned businesses or any of them or likely to be required, in connection with any of the said business

2. Basis of Preparation

The financial statements of the company have been prepared in accordance with accounting principles generally accepted in India (Indian GAAP). The financial statements have been prepared to comply in all material respects with the accounting standard's specified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.

The financial statements are prepared on accrual basis under the historical cost convention. The financial statements are presented in Indian Rupees rounded off to the nearest rupee.

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance as set out in the Schedule III to the Companies Act, 2013. Accordingly the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

2.1 Summary of Significant Accounting Policies

(a) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the period presented. Actual results could differ from those estimates. Any change in the estimate is adjusted prospectively.

(b) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash at bank.

(c) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty. The Company has not earned any revenue during the financial year under Audit.

(d) Preliminary Expenses

Preliminary Expenses are being amortized over a period of five years

(e) Employee Benefit

(i) Defined Contribution Plan

Retirement benefits in the form of provident fund are defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

(f) Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the reporting period attributable to equity shareholders by the weighted average number or equity shares outstanding during the period.

(g) Contingent Liabilities and Provisions

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases when there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

The Company makes a provision when there is a present obligation as a result of a past event where the outflow of economic resources is probable and a reliable estimate of the amount of obligation can be made.

SCHEME DETAILS, LISTING AND PROCEDURE

The Scheme of Amalgamation is prepared under the provisions of Sections 230 to 232 of the Companies Act, 2013 read with other applicable provisions of the Companies Act, 2013, which inter alia, provides for Amalgamation and consolidation of the entire Undertaking, business and operations (as defined in the Scheme) of Parthiv Corporate Advisory Limited (hereinafter referred to as “Transferor Company” or “Company” or “PCAPL”) into Inland Printers Limited (hereinafter referred to as “Transferee Company” or “IPL”) on a going concern basis.

Background of the Scheme of Amalgamation

Parthiv Corporate Advisory Private Limited is a company incorporated on February 16, 2017 under the Companies Act, 2013. It is mainly engaged in the business of providing all types of advisory and consultancy services related to project report, search reports, direct selling agents, corporate advisory services, documentations, liaison with the government departments and internet-based services.

Inland Printers Limited was originally incorporated on November 3, 1978 under the provisions of the Companies Act, 1956 with the Registrar of Companies, Maharashtra, Mumbai in the name and style of ‘Inland Printers Private Limited’. Subsequently the term “Private” was deleted from the name of the Transferee Company and the name was changed to ‘Inland Printers Limited’, with effect from September 21, 1993 and a certificate of change of name, dated October 8, 1993 was issued by Registrar of Companies, Maharashtra. It was earlier engaged in the business of printing of Prospectus, Application Forms, Brochures, Annual Reports, Share Certificates, MICR Instruments and other commercial print jobs. During the past few years, the Company has not carried out any business and is not generating any revenue from its operations.

Rationale for the Scheme of Amalgamation

The proposed merger of the Transferor Company (including the Undertaking (as defined in the Scheme) of the Transferor Company) into and with the Transferee Company would inter alia have the following benefits for both the Parties and their respective shareholders, employees, creditors and other stakeholders:

1. To consolidate the business of the Transferor Company and the Transferee Company, which would make the business activities more sustainable in the long term as well as help them to grow faster;
2. Create value for stakeholders including respective shareholders, customers, lenders and employees as the combined business would benefit from increased scale, expanded reach, higher cross selling opportunities to a larger base of customers, improvement in productivity amongst others;
3. Better administration and cost optimization are expected to flow from more focused operational efforts, standardization and simplification of business processes, and the elimination of duplication, and rationalization of administrative expenses as well as compliance cost;
4. Pooling of resources and achieving economies of scale;
5. Greater integration and flexibility to Transferee Company and strengthen its position in terms of asset base, revenues and service range.
6. Pursuant to the implementation of the Scheme, the objects of the Transferor Company and the Transferee Company can be conveniently, advantageously and economically carried on by a single entity.

7. The restructuring proposed under the Scheme will not affect the normal business operations of the Transferee Company, but would improve the same.
8. To achieve the desired objectives, a Scheme of Amalgamation has been arrived at by the Board of Directors of the aforesaid companies and it has been decided to make the requisite application before the Hon'ble National company Law Tribunal Mumbai bench, Mumbai under Sections 230 of the Companies Act, 2013 for the sanction of the following Scheme of Amalgamation (hereinafter referred to as the 'Scheme') of the aforesaid companies.
9. In view of the aforesaid, the Board of Directors of the Transferor Company and the Transferee Company have (i) considered and proposed the Merger / Amalgamation of the of the Transferor Company into and with the Transferee Company for the benefit of all the stakeholders of the Transferor Company and Transferee Company; and (ii) formulated this Scheme of merger for the transfer and vesting of the entire Undertaking and business of the Transferor Company into and with the Transferee Company pursuant to the provisions of Section 230 to Section 232 and other relevant provisions of the Act.

Issue of New Equity Shares by Transferee Company to the shareholders of the Transferor Company

Upon coming into effect of the Scheme and in consideration of the merger of the Transferor Company into and with the Transferee Company including transfer and vesting of the undertaking of the Transferor Company in the Transferee Company, in terms of the Scheme, the Transferee Company shall without any further application or deed, be required to issue and allot to the shareholders of the Transferor Company whose names are recorded in the register of members as a member of the Transferor Company.

The Transferee Company Shares to be issued by the Transferee Company to the shareholders of the Transferor Company in accordance with this Clause shall be hereinafter referred to as "New Equity Shares" as against the recommended swap ratio of 1:33.35 on the basis of Valuation Report dated March 9, 2023. 27 equity Shares of the Transferee Company be credited as fully paid-up, for every 1 equity shares of the face value of Rs. 10/- each fully paid-up held by such member in the Transferor Company ("Share Exchange Ratio").

Classification of Promoters of the Transferor Company and the Transferee Company

1. Upon the sanction of the Scheme of Amalgamation by NCLT, Mumbai Bench, Mumbai and the Scheme becoming effective and on allotment of shares to the shareholders of the Transferor Company, the Promoter Shareholders of the Transferor Company shall become the Promoter Shareholders of the Transferee Company.
2. Also, upon the sanction of the Scheme of Amalgamation by the NCLT, Mumbai Bench, Mumbai and upon the Scheme of Amalgamation becoming effective the existing promoters of the transferee company namely Kiran Patel and Bhavesh Patel shall be ceased to be classified as promoters of the Company.

Effect on Share Capital of the Transferor Company and Transferee Company

As an integral part of the Scheme and upon the Scheme coming into effect on the Effective Date, the Authorized Share Capital of the Transferor Company, comprised of Equity Shares of Rs. 10 (Indian Rupee Ten) each shall stand transferred, merged and combined with the Authorized Equity Share Capital of the Transferee Company.

In addition to the increase in the Authorized Share Capital of Inland Printers Ltd caused by credit of the Authorized Share Capital of the Transferor Company as mentioned above, the Authorized Share Capital of Inland Printers Limited shall be further increased and reorganized, in the manner mentioned below:

The Authorized Share Capital of Inland Printers Limited shall be increased and reorganized from

Rs. 12,00,00,000/- (Rupees Twelve Crore only) divided into 1,20,00,000 (One Crore Twenty Lakhs only) equity Shares of Rs. 10/- (Rupees Ten) each to Rs.22,00,00,000/- (Rupees Twenty-Two Crore only) comprising of 2,20,00,000 (Two Crore Twenty lakhs only) equity shares of Rs. 10/- (Rupees Ten) each.

Dissolution of the Transferor Company

Upon the Scheme coming into effect, the Transferor Company shall, without any further act, instrument or deed undertaken by the Transferor Company or the Transferee Company, stand dissolved without winding up pursuant to the order of the NCLT sanctioning- the Scheme.

[FOR FURTHER DETAILS PLEASE REFER THE SCHEME OF AMALGAMATION.]
